

# PubMan and the MPI psycholinguistics new website

Jos van Berkum (Webmaster), Karin Kastens (Library), **Jacquelijn Ringersma** (Technical Group)  
Ulla Tschida, Natasa Bulatovic, Malte Dreyer, Vladislav Makarenko, Nicole Kondic (PubMan team)  
Mirella van Teuningen, Mark van Lent (Zest software developers)

The screenshot shows a Microsoft Internet Explorer window displaying the Max Planck Institute for Psycholinguistics website. The URL in the address bar is [view.cgi.mpi.nl/people/Berkum%2C%20Jos%20van/publications](http://view.cgi.mpi.nl/people/Berkum%2C%20Jos%20van/publications). The page title is "Jos van Berkum - Publications". The left sidebar has links for "Person Home", "Publications" (which is highlighted in red), "Presentations", "Research", "Teaching", "Tools", "Press", and "CV". The main content area lists several publications under the heading "Articles":

- Nieuwland, M., & Van Berkum, J. J. (in press). Neuroimaging referential ambiguity during language comprehension. *Language and Linguistic Compass*. ([more...](#))
- Otten, M., & Van Berkum, J. J. (2008). Discourse-based anticipation during language processing: Prediction or priming?. Submitted for publication. ([more...](#))
- Van Berkum, J. (2005). Anticipating upcoming words in discourse: Evidence from ERPs and reading times. *Journal of Experimental Psychology: Learning, Memory, & Cognition*. ([more...](#))
- Van Berkum, J. (2008). Understanding sentence in context: What brain waves can tell us. Submitted for publication. ([more...](#))

On the right side, there is a portrait photo of Jos van Berkum and his contact information:

**Jos van Berkum**

Welcome at Max Planck Institute for Psycholinguistics 

by [admin](#) — last modified Oct 01, 2008 09:08 AM

**Oct 01, 2008**  
**MPI for Psycholinguistics partner in the Donders Institute for Brain, Cognition and Behavior**  
September 1 is the starting date of the Donders Institute for Brain, Cognition and Behaviour. Within the DI-BCB, the MPI will closely cooperate with four other Nijmegen-based research institutes that study brain, cognition, and behaviour: the Donders Centre for Cognition (formerly the NICI), the Donders Centre for Cognitive Neuroimaging, the Donders Centre for Neuroscience, and the Behavioural Science Institute. The opening of the DI-BCB will be marked by a 1-day scientific conference -- Cognitive Neuroscience: From molecule to man -- on November 28, 2008, in Nijmegen. [more >](#)

Not only for publications, but also for presentations:

The screenshot shows a website for the Max Planck Institute for Psycholinguistics. At the top, there is a navigation bar with links for Home, Institute, People, Research, Education, Resources, Experiments, News, and Events. Below the navigation bar, a breadcrumb trail indicates the current location: Home > People > Peter Wittenburg > Presentations. On the left side, there is a sidebar with links for Person Home and Presentations. The main content area features a title "Peter Wittenburg - Presentations" and three sections: Talks, Posters, and Course lectures, each with a list of items and a "more..." link. To the right of the content area, there is a portrait photo of Peter Wittenburg, a man with glasses and a mustache, wearing a patterned shirt. Below the photo, his name is listed, along with his affiliation (Max Planck Institute for Psycholinguistics), address (Wundtlaan 1, PO Box 310, 6500 AH Nijmegen, The Netherlands), and contact information (Phone: +31-24-3521113, Fax: +31-24-3521213, Room: 113). A note at the bottom states "Member of the Technical Group group".

# Not only for person pages, but also for group pages and project pages

The screenshot shows the Max Planck Institute for Psycholinguistics website. On the left, there's a sidebar with links like Group Home, Projects, People, Publications (which is highlighted), Presentations, Tools, News, Events, Press, Grants & Awards, and Manage portlets. The main content area shows a navigation path: Home > Institute > Research groups > Acquisition group > Publications. On the right, there's a sidebar with links for Admin | Site Setup, Max Planck Institute for Psycholinguistics, and Visitors information (Wundtlaan 1, 6525 XD Nijmegen, The Netherlands). The central part of the page displays a 'Criteria for Publications' form. A red circle highlights the 'Organizational units' checkbox under the 'Values' section. Below it, there's a list of existing values: Acquisition, Cambridge, Centre, Community, Comprehensive, and others. There are also sections for 'operator' (with radio buttons for 'and' and 'or') and buttons for 'Save', 'Remove', and 'Cancel'. At the bottom of the form, there's a 'Set Sort Order' dropdown set to 'Citation'. To the right of the form, there's a preview of the 'Acquisition group - Publications' page, which lists articles and book items. The footer contains links for Disclaimer and Colophon.
